### Persistent COVID-19 symptoms, phase 3 trials of two inactivated SARS-CoV-2 vaccines, ocular findings in COVID-19 survivors

#### Peer reviewed journals featured:

- Systematic reviews on:
  - Frequency and variety of persistent symptoms among COVID-19 patients [here](#)
  - Remdesivir treatment for COVID-19 [here](#)
  - Favipiravir treatment for COVID-19 [here](#)
- A review of clinical excellence in COVID-19 care [here](#)
- A meta-analysis on the impact of dipeptidyl peptidase-4 inhibitors (DPP-4is) on COVID-19 mortality [here](#)
- Phase 3 trials on two inactivated SARS-CoV-2 vaccines (WIV04 and HB02) [here](#)
- Observational studies on:
  - Ocular findings among patients surviving COVID-19 [here](#)
  - Early humoral responses of hemodialysis patients after Pfizer vaccination [here](#)
  - Disruption of glycometabolic control after SARS-CoV-2 infection [here](#)
  - Immune response to SARS-CoV-2 variants of concern in vaccinated individuals [here](#)
  - Methotrexate and immunogenicity to Pfizer vaccine among patients with immune-mediated inflammatory disease [here](#)
  - Changes in the behavioural determinants of health during COVID-19 [here](#)
- A modelling study on patterns and determinants of disease transmission during COVID-19 [here](#)
- An editorial focused on a personal experience of post-acute COVID-19 syndrome [here](#)
- Commentaries on:
  - Reflections one-year after rapid roll-out of virtual clinics at the UK's Royal National Orthopaedic Hospital [here](#)
  - COVID-19-associated Aspergillus tracheobronchitis [here](#)
  - Strategies for increasing COVID-19 vaccine uptake [here](#)
  - The cost of disability caused by COVID-19 [here](#)
  - Recovery – the world's biggest COVID-19 treatment trial [here](#)
  - Engaging the public in the response to COVID-19 [here](#)
  - COVID-19 and clinical service innovations worth keeping [here](#)

## Letters and correspondence discussed:

- Perioperative risk evaluation in patients scheduled for elective surgery close to SARS-CoV-2 vaccination [here](#)
- Immunogenicity and safety of Pfizer vaccine in a chronic lymphocytic leukaemia patient [here](#)
- Preliminary data on severe SARS-CoV-2 infection caused by 501Y.V2 (South Africa) variant [here](#)
- A case of thyroiditis and thyrotoxicosis after SARS-CoV-2 mRNA vaccine [here](#)

## Pre-peer review articles featured:

- COVID-19 and safe Tokyo Olympics and Paralympics games [here](#)

## Guidance and reports

- The World Health Organization published its weekly COVID-19 epidemiological report [here](#)

## News and blogs

- The mini lungs and other organoids helping to beat COVID-19 [here](#)
- What the science says about lifting mask mandates in the US [here](#)
- The spread of variants in countries with low vaccination rates [here](#)
