

Good morning, Vien. Access Emergency Medicine, Can Speech To Text Save Time? and How Important Is Keeping Your Distance?

CIAP News August 2020 | Issue 8

New Resource: Access Emergency Medicine

Access Emergency Medicine aims to meet the immediate needs of the emergency department. All in one place and updated regularly, this comprehensive online emergency medicine resource provides quick diagnosis and treatment answers for a broad spectrum of issues encountered in the ED, ranging from neurologic and paediatric emergencies, to poisoning and trauma.

Located in the Emergency Care panel on CIAP check it out here.
